

Together, we can end the need for food banks

Trussell is an anti-poverty charity and community of food banks, in 1,400 locations across the UK.

We work together to ensure no one needs a food bank to survive, while providing emergency food and practical support for people left without enough money to live on.

We also campaign to build public empathy and understanding of why people currently need food banks - and to bring about much-needed changes in political policy.

Your support means that food banks in the Trussell community can provide the best possible help for people facing hardship, while working towards a better future - where nobody is forced to use a food bank.

Thank you so much for supporting us. It can't happen without you.
