# About our food bank

Cardiff Foodbank was founded in 2009. We are a registered charity and part of the Trussell Network of Food Banks. We are one of approximately 39 food banks in Wales and 427 food banks across the UK.

Other local food banks cover Cardiff Vale, Newport, Bridgend, Caerphilly and the Valleys.

In the last financial year, we distributed 20,208 food parcels to people across the city which amounted to approx. 200 tonnes of food. 7,770 of these parcels went to children!!

# What does our food bank do?

We provide emergency support to local people who don't have enough money for essentials by providing 3 days' nutritionally-balanced emergency food.

We help connect people with additional support to address the reasons why there isn't enough money coming in.

We bring together experiences and evidence from our food bank with what other food banks across the Trussell network are seeing, so we can push for change.

# About our food bank

Our clients are people who, through a wide range of circumstances including illness, benefit delays, an unexpected bill, or just insufficient income, find themselves with no money for food.

# About our food bank

We operate via a central warehouse and offices in Cardiff Bay, plus eight Distribution Centres across Cardiff in:

CATHAYS

CENTRAL

ELY

GRANGETOWN

LLANEDEYRN

SPLOTT

ST. MELLONS

TONGWYNLAIS

# About our food bank

We have 10 paid staff and 8 trustees who manage the strategic, operational and administrative aspects of the food bank. They are supported by over 200 volunteers who:

- pick up and deliver food
- sort and date donated food and collate orders
- run the distribution centres
- provide administrative support
- raise funds and organise food collections
- staff supermarket food collections

Our Team

# About our food bank

We also have many Partners who support us with:

- fundraising events
- employee volunteers
- food collections
- business advice
- finance

Our  
Partners

# About our food bank

- Cardiff Foodbank is not state funded
- Our operating costs (e.g. warehouse rent, utilities, vans and staff salaries) are covered by donations and grants
- We welcome donations and ideas for fundraising

# Non-perishable food is donated or bought

We depend entirely on donations from churches, businesses, schools, individuals, or through supermarket collections. Our website advises on current needs. Currently we can only accept long-life, not fresh, food.

# How we operate

## Volunteers sort and store the food

All food arriving at our central warehouse is weighed in and sorted by date ready for sending out to our distribution centres.

# How we operate

## Frontline professionals give food bank vouchers to people in crisis

We partner with 180+ care professionals and agencies - like Health Visitors, Social Workers, or Housing Associations - who identify people in need and issue Foodbank vouchers.

# Clients exchange their voucher for 3 days' supply of food at the foodbank centre

Clients take vouchers to a food bank centre where they are redeemed for 3 days' emergency food for themselves and others in their household\*.

The food allocated is nutritionally balanced, with dietary requirements and cooking facilities taken into account.

\* Household is defined flexibly and includes anyone for whom the client is providing food in their place of residence. For example, one person may be supporting their children and their parents, or a sibling. For HMOs all residents/families need to claim separately.

# **Food banks take time to listen and signpost clients to further support**

Clients are also given the opportunity to:

- Have some refreshments and a chat
- Be offered a listening ear
- Be signposted to a range of other support services
- Receive advice from the Council's Money Advice Team
- Access other relevant, helpful information and support
- Receive other items e.g. pet food, sanitary, household and baby products (not formula milk)

# The Role of the Referral Agency and its Voucher Issuers

# REQUIREMENTS OF A REFERRAL AGENCY

One of our requirements for a referral agency is that the organisation (and person assessing the client) is able to recognise the clients' needs and root cause of their crisis, and to have the support available to meet those needs and/or be able to signpost to an appropriate additional source of help.

# HOW TO DECIDE: WHO QUALIFIES FOR FOOD BANK VOUCHERS?

- The client is in a state of actual food poverty, with little or no food and insufficient funds to purchase enough food.
- Their situation is the result of an identifiable, current crisis.
- If the client's circumstances (finances, number of dependents etc.) are not already known to you, staff should make an assessment based on confirmatory evidence.
- The client has not already received 3 vouchers in the last 6 months.
- There is no minimum age to claim Food bank vouchers – if a young person is considered to be independent, they may make a claim.

# HOW TO DECIDE: WHO QUALIFIES FOR FOOD BANK VOUCHERS?

- If more than 3 vouchers are needed, contact the Food bank to explain the support being given before issuing more. We are happy to support some clients over a longer period if there is nothing more they can do to improve their immediate situation and it is part of the ongoing package of care provided by the agency.
- Consider what other support could be given to help the client, e.g. connecting with a Food Pantry or Free Food Market, a referral to the Council's Money Advice Team, Citizen's Advice or other service. Foodbank staff will be happy to advise.

# REASONS FOR REQUIRING MORE THAN 3 VOUCHERS

## Examples:

- Client has no recourse to public funds (e.g. refugee/asylum seeker)
- Client has no access to their money (e.g. Domestic Abuse, Overseas Bank Account)
- Benefit delay/changes
- Debt - both Priority and non-Priority
- Significant disruption to earnings, e.g. ill health
- Unreliable income, loss of income or long-term insufficient income
- Exceptional and unexpected bill

# IMPORTANCE OF ENSURING ACCURATE INFORMATION

Properly completed vouchers help to guard against fraud and confusion. They also ensure that the volunteers in the Distribution Centres don't need to ask the clients difficult questions about voucher details. It is important to make the experience of collecting the food as smooth and stress-free as possible.

Data Usage: the information is collated on the Trussell UK database and can be used to bring about change on a national level, working to influence the UK Government and policy makers to ensure everyone has enough money to pay for the essentials.

Having accurate information is vital as it is used as evidence of the problem.

# THE DCS (Data Collection System)

The database helps keep a track of how many vouchers people have had, changes of address or changing circumstances as well as information on the reason for the referral.

If we suspect that someone is misusing the voucher system we will inform you, and we request that you inform us if you become aware of or suspect any misuse.

# Referral Agency Manager Responsibilities

Each organisation will have a registered 'manager' who takes responsibility for keeping Cardiff Foodbank updated with the following key information:

- Change of main contact/manager
- Inviting new users to the database
- Change of organisation name/address
- Closure of the organisation
- Mergers

If you are unable to go to the food bank centre above, you may be able to take this voucher to a different food bank centre. To find other food banks in your area, please check [www.trusselltrust.org/get-help/find-a-foodbank](https://www.trusselltrust.org/get-help/find-a-foodbank)

This voucher has no monetary value, cannot be used by another person, and should be used within 7 days of issue if possible.

We use your personal information to help understand your needs and provide you with emergency food. The food bank and the Trussell Trust are data controllers and have a legitimate interest to use information about you for statistical and research purposes, to show how food banks are being used and why they are needed.

Access to your information is restricted and can only be seen by the agencies who refer you, and authorised people in the Trussell Trust Foodbank Network who need to do so for food bank reasons. To find out more about your rights or about how we keep your information safe, visit <https://trusselltrust.org/privacy> or please ask the food bank (Reg. Charity [1139456]) to give you a copy of their privacy statement.

It would help us if you could bring some carrier bags with you.

The voucher is valid for up to 7 days and even then can still be redeemed on approval with valid reason for delay - if no valid reason, the voucher may be cancelled and another one will need to be issued.

This is just the 'suggested' foodbank centre - they can take this voucher to any centre as long as they accept e-referrals
