How to host your own Wimbledon sweepstake

Organising your own sweepstake is a fun and easy way to raise money. You can run sweepstakes for the men's, women's or doubles tournament.

- 1** On the Friday before Wimbledon starts, they announce the top 32 seeds. Find out which players are participating in the event, and write their names on the next sheet.
- 2** Cut out the names and fold them in half. Place them in a hat.
- 3** Ask your friends to draw a ticket from the hat for a small donation (set your own suggested donation, but £1 or £2 works well in most offices).
- 4** Keep a note of which player each individual draws from the hat, use the next page for this.
- 5 Enjoy the tennis!**
- 6** Game, set and match... After the final, award the winning individual with a prize. This could be a novelty prize, or a percentage of the donations (whichever option you choose, you should make this clear from the beginning).
- 7** Send the remainder of the donations to Southend Foodbank, and update your online fundraising page with your all offline donations.

Good luck with your sweepstake...

Jot down all 32 player names, snip them out, and pop them into a hat. Then it's game, set, match - everyone draws a name at random and adds their sweepstake contribution. Let the Wimbledon magic begin!
