

This winter, can you help ensure every neighbour has the essentials?

More people than ever are being forced to turn to Cambridge City Foodbank to survive. By donating this winter, you can help provide vital food, and hope, to people who are struggling.

In 2024 we gave out more than

17,000

emergency food parcels at our **Foodbank Welcome Centres** - double what we gave out 5 years ago.

“

Before visiting the Foodbank I was feeling dismal. I didn't think I could survive the winter. The emergency food parcel got me through the week. The Foodbank helped me a lot.
