

Together, we can end the need for food banks

Braintree Area Foodbank is an anti-poverty charity, working with those struggling most in the Braintree District.

We work tirelessly to ensure no one needs a food bank to survive, providing emergency food and practical support for people left without enough money to live on.

Your support means that we can provide the best possible help for people facing hardship, while working towards a better future – where nobody is forced to use a food bank.

Thank you so much for supporting us. It can't happen without you.
