

COMPLAINTS POLICY & PROCEDURE

1. Policy Statement

This complaints policy exists to set out the responsibilities of Brentwood Foodbank as facilitated by Doddinghurst Road Church (DRC). We are committed to delivering a high standard of service to anyone who engages with our work. We believe that the best way to improve our service is by learning from the people who use it.

We welcome comments, compliments and complaints from the people who use, or come into contact with any of DRC activities or services. These help us to see what we are doing well and where we can make improvements.

We aim to promote an environment where people are encouraged to raise and discuss issues informally and, where necessary, seek solutions to prevent them developing into problems or complaints. However, we recognise that there may be situations where people are not happy with the outcome of an informal discussion or feel that the issue needs to be taken further. In these cases, DRC has a complaints procedure so that we can work towards a resolution in a fair and transparent manner.

2. Our promise and commitment

We recognise that there may be times when our activities do not meet your expectations. If this happens, it is important that we know about it as soon as possible so that we can deal with the situation effectively to try to prevent it from happening again and to learn from our mistakes. We promise to take all feedback and complaints seriously and to deal with them in a timely manner.
