Key Responsibilities:

- Provide strategic direction and oversight for the organisation
- Ensure compliance with legal and regulatory requirements
- Support fundraising efforts and community engagement initiatives
- Collaborate with fellow trustees and staff to achieve organisational goals

Expectations:

- Experience in governance, finance, fundraising, or community engagement is preferred
- Strong communication and interpersonal skills
- A commitment to the values and mission of North Norfolk Foodbank

If you are interested in making a difference, we would love to hear from you.

Trustee person specification

We are a small but committed and dedicated team of Trustees. Having a passion for the work of the foodbank and tackling social injustice is a must. However, there are some basic requirements that underpin being a Trustee:

- Along with Trussell, our umbrella charity, North Norfolk Foodbank is a faith-based organisation, and Trustees are asked to respect the Christian principles and values that guide the work we do
- Be committed to the foodbank project and have sufficient time and willingness to contribute to board meetings and follow up actions
- Understand legal, financial, audit, and other regulatory requirements of a charity
- Can demonstrate financial stewardship
- Can assess and manage risks with a balanced and informed approach
- Can remain independent of any influence from another organisation or individual
- Can work as a member of a team to shape, drive, and monitor the Foodbank strategy

- Use skills or experience to help lead discussions, focusing on key issues, providing advice and guidance where necessary
- Has a passion for the social sector and social change
- Subscribes to the ethos, vision and mission of North Norfolk Foodbank

Specific Treasurer person specification

One of the vacancies required is for a Treasurer role, therefore in addition to the main specification above, the following competencies are required:

- Review financial records prepared by a bookkeeper
- Work with operational teams to prepare and present an annual budget
- Liaise with auditors and review financial statements and annual accounts
- Communicate financial information to those who may have little or no financial background

The statutory duties of a Trustee

Trustees have legal responsibility for a charity's management and administration. Ensuring these responsibilities are upheld involves managing and delivering the following duties:

- Ensuring that the organisation complies with charity law, company law, and any other relevant legislation or regulations
- Ensuring that the organisation pursues its objectives as defined in its governing document
- Ensuring the organisation uses its resources exclusively in pursuance of its objectives for the benefit of the public
- To set strategic direction, policy, and targets to evaluate performance and compliance
- Ensuring the appropriate administration of the organisation, including having the right policies and procedures in place
- Ensuring the financial stability of the organisation

Why become a Trustee?

We become Trustees because we have a passion for serving our community and making a difference, but it can also be a fulfilling experience for many other reasons.

It allows many of us to do the following:

- Use existing skills and experience to make a difference for those facing food poverty
- Meet new people with a shared passion to tackle poverty and social injustice across North Norfolk
- Support and improve the running of the foodbank and become part of the Trussell network

Commitment:

- In-person board meetings are usually held every 4-6 weeks, on weekday afternoons

- Outside of board meetings, Trustees may need to work with staff and volunteers on specific projects or to implement actions
- Participation in training, such as safeguarding, may be required
- New Trustees will be appointed for a three-year term and can serve two terms (up to six years)

The role of Trustee is unpaid but some out of pocket expenses such as travel can be covered.

An Enhanced DBS check will be required for all potential Trustees, along with two references and checks for insolvency, company director disqualification, and the register of removed Trustees.
