

Can you help this Harvest?

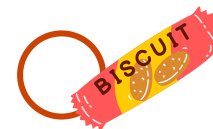

For many of us, Harvest also marks the changing of the seasons. As we move into Autumn, things get colder, we start thinking about making soup again, maybe even turning on the heating. But for some in our community this change brings anxiety, as bills increase and the battle to stay warm begins. Foodbank donations help us support those who need it most, providing parcels filled with essentials and cosy meals.

Tinned Vegetables

Long-life Juice

Biscuits

Cereal

Pasta/Pasta Sauce

Rice

Long-life Milk

Tea/Coffee

Tinned Fish

Thank you for your kindness
