

Medway Foodbank

Harvest 2026

How do we help people?

Emergency...

No money

3 days of food

What happens at our warehouse?

Food is delivered to us and our volunteers weigh it in so we know how much we have

Sometimes it is really full....

And sometimes it is quite empty..

Once the food is weighed in...

Food is sorted into groups on our table before it gets put away on the shelves.

What else do you think we can give to people?

Who can use Medway Foodbank?

Thank you for helping us – we couldn't help others without you 😊
